IM PLEDGE

We will produce quality products and achieve Q1 P1 status.

IM SAFETY PPLICY

We take pledge to wear personal protective equipment, follow safety rules & regulations to work in a accident free atmosphere.

QUALITY POLICY

IM GEARS shall achieve customer satisfaction by delivering Quality products which meets their expectation.

This shall be achieved through

✌ Continual improvement in system and process

✌ Employee involvement through training and development

✌ Adopting technology up gradation from time to time.

ENVIRONMENTAL POLICY

IM GEARS shall strive to be a good corporate citizen by being an environmental friendly company in all its operations.

We, at IM Gears, are committed to

✌ Comply with all applicable environmental obligations including statutory , customer and interested party requirements.

✌Protection of the environment including prevention of pollution, waste minimization and conservation of natural resources.

☞Continually improve our environmental performance through objectives and other initiatives such as process technology up gradation and life cycle perspective.

☞ Reducing process rejection to a maximum of 0.5 % .

✌ Spreading environmental awareness among employees, suppliers and other interested parties.
